

...napped potential to play a major role in bringing together the communities across ecological regions. We have the knowledge, moral courage and creative potential to have a positive impact on the world. We have the experience, UAF has the leadership of cultural change for communities, health care, education and the world. The objective is to empower the community to become a leader in knowledge and understanding of the world to become a leader in education and change agent.

## 2

We reside upon the lands of Indigenous nations. We have a responsibility to learn about, acknowledge and uplift Indigenous knowledge, history, culture and peoples as we seek to heal relations and honor Indigenous nations. At UAF, we are committed to being a global leader in Alaska Native and

There is an inherent entrepreneurial spirit in all of us as we pursue answers to the major challenges of today's society to build the Alaska and Arctic of tomorrow. In driving Alaska's innovation economy and being a leadership voice for Arctic innovation and entrepreneurship, UAF will produce graduates with an entrepreneurial mindset and skilled in the processes to bring research to commercialization and
